“CRAZY FOR YOU” OCT. 20 04

Crammed with popular standards like, “I’ve Got Rhythm,” “Embraceable You,” “They Can’t Take That Away From Me,” and “Someone To Watch over Me,” this story of a stage-struck playboy starting a theater in a mining town includes romance and a host of hilarious mistaken identities. **Beautifully Renovated Orr Auditorium**

Westminster College’s Orr auditorium, home of the Celebrity Series, has undergone its greatest renovations in 38 years. Major improvements in staging shows, including electrical supply, new stage lighting, load-in elevators, reinforced stage superstructure and new dressing rooms, have been completed.

But, the audience will be more visually aware of improvements in the auditorium that include, total renovation of the seats, new carpeting, new painted walls, and (the audience favorite), air conditioning.

These improvements will make Orr Auditorium one of the most beautiful in this area and will give the college the capability of staging the large-scale musicals and shows touring the country today. The auditorium will meet the challenge of being the cultural center of our community and region.

This lovely holiday program brings back two old favorites of the Celebrity Series audience. John Pizzarelli and his trio wowed our audience several years ago. He is hailed by critics for his brilliant guitar work and smooth vocals, in the Sinatra tradition. John has gained a wide following from his numerous stage, TV and concert performances. Nothing is more beautiful than Christmas music played by a symphony orchestra. The Youngstown Symphony under the direction of Isaiah Jackson is making its fifth appearance on the Series, a testament to their continued popularity and appeal to our theatre goers. What a wonderful way to start the Holiday season. Single tickets: $40 & $35
