BLAST brings together brass, percussion and visual performers in a unique explosion of music and theatre. Born on athletic fields across the nation with college marching bands and drum and bugle corps competitions, BLAST is a novel art form evolved from the showmanship of outdoor pageantry, a musical spectacle, and music in motion. Ranging from classical to the blues, it is jazz, rock-and-roll and techno-pop. With color, light, movement and music, this show is breathtaking. Do yourself a favor and see it. One of the most entertaining programs in Celebrity Series history, The Ten Tenors will be back by great popular demand. Since appearing at Westminster, they have been touring the United States with great success. We loved their great voices and group sound, their boundless enthusiasm and delightful sense of humor. They will again present music from opera to Broadway, from pop to rock. We are all looking forward to their return engagement.
