Westminster College  
Position Vacancy  

Preschool Teacher

Preschool teacher needed for an early childhood classroom in a college laboratory setting. Job is a 30 hours/week plus benefits, 9-month appointment. Applicants must have a minimum of a baccalaureate in Early Childhood Education or related fields. Experience in the early childhood classroom is preferred. Duties include collaborating with the head teacher in developing and implementing a curriculum for 3-5 year olds in a NAEYC accredited program, conducting assessments, meeting with parents, contributing to a monthly newsletter, and providing a model of teaching excellence for Westminster College students. Teachers must be able to work in conjunction with the Psychology department and campus community. Please send a resume, college transcripts, three letters of reference and a statement of teaching philosophy to Dr. Mandy B. Medvin, Director, Preschool Lab, Westminster College, 319 S. Market St., New Wilmington, PA, 16172-0001. Applications are due by March 15, 2018. EOE
