1. Course Description

This class is designed for both performers and music educators to provide a meeting time to discuss issues relevant to the both, to meet with the music faculty, to gain valuable information from guest artists and lecturers and to provide the opportunity for students to perform in front of peers and faculty. Students will sign up for a performance time during the first week of school, All Capstone and Junior Recital majors must schedule their performance times prior to their recitals.

Schedule for Registering to Perform on Tuesday, August 27, 2013

Seniors/those with scheduled recitals must register first, followed by Sophomores, Juniors and Freshmen. Any dates not filled will be cancelled and guest lecturers will be scheduled for this time. Students may perform more than once during a semester.

II. Outcomes and Assessment

Each student is required to perform once each semester throughout the 7 to 8 semesters of the degree programs with the exception of first semester Freshmen. Students must obtain a waiver for the class as approved and signed by the chair of the department when there is a scheduling conflict. Students must make every effort to avoid scheduling conflicts and if there is one, it should not happen more than once during the four years a student is in college.

III. Grading Scale Satisfactory/Unsatisfactory

3 pts. For required performance (1st semester Freshmen exempted)

1 pt. Each for each colloquium attended. (2 absences permitted)

More than 2 absences or failing to meet the performance requirement will result in a grade unsatisfactory.
