

SERVICE SUPPORT EXPERTISE

"I have found them to be consistent, capable and congenial."

"A-V at Westminster is responsive, organized and user-friendly in all of its aspects."

"The Audio Visual staff works collaboratively with our faculty and students to provide high quality technological services all year long."

We provide up-to-date tools, resources and training for academic and professional settings at Westminster.

Our team welcomes new challenges and will work with you to find the best solution for your project.

JOIN OUR TEAM!

Our team consists of graphics, instructional media, and broadcast professionals, plus some of Westminster's finest students, all committed to serving the campus community. Students gain personal growth, valuable experience, and the opportunity to earn money while enhancing critical skills. For more information about employment, please contact director Gary Swanson at (724) 946-7188 or avstaff@westminster.edu

Every October, we join InfoComm International in its AV Week tradition. Collaborations, presentations, workshops, career fairs, etc., take place globally to celebrate and highlight the prevalence, value and advancements of the AV industry.

As an office that uses a variety of resources, from paper to projectors, our environmental footprint can be large. Through several "green" initiatives, we attempt to maximize the usefulness of our materials and encourage others to do the same.

Project Green AV

- Battery Recycling Bins
- E-Recycling Drives
- Equipment Repurposing
- Wattage Counters
- Paperless Office Alternatives
- Green Consumer Guidance
