This document is designed to assist you with preparation for the first test in the class which is set for Monday, April 3rd.

This test will be structured in the same way as the first test. Begin preparations as soon as possible. Experience from the first test should show that last minute “cramming” will most likely not work the way you want.

Below are a list of chapters and sections of each chapter that terms will be drawn from.

Chapter 5 – Film

Page 148 beginning with The Big Studio Section through the end of the chapter

Chapter 7 – Television

Page 225 beginning with Scope and nature of the Television Industry through the end of the chapter

Chapter 8 – Cable and other Multichannel Services

Page 253 beginning with Cable today through the end of the chapter

Chapter 9 – Videogames

The entire chapter
