

Westminster College Position Vacancies

Groundskeepers

The Grounds Unit in the Physical Plant Department at Westminster College is accepting applications for two full-time employees.

Applicants should have knowledge of and experience with general lawn and landscaping equipment operation. The primary purpose of this position is to maintain and improve the appearance and function of the campus grounds and its equipment. The position requires some weekend work and various shifts. A high school degree or GED equivalent is required. Successful candidates must be able to successfully pass all PA Act 153 background certifications.

Please send your resume and the names and contact information for three job related references by no later than July 25, 2019 to:
