

WESTMINSTER COLLEGE

SPORTS MEDICINE

Westminster College has **ONE** graduate assistant position available starting January 2022. The successful applicant has 2 options available to him/her: take graduate courses towards Master's degree at Westminster College or work strictly as an intern without taking any coursework.

Westminster College is an NCAA D III Institution which fields 22 varsity sports and has 400+ student-athletes. A graduate assistant on our staff will have contact with all sports and all aspects of the profession. The quality of our facilities and our affiliations with medical specialties allow an individual to have an exceptional developmental experience. As a result, we are looking for a person who is motivated to stay in this profession, has a strong work ethic and possesses good critical thinking skills. The candidate must be NATABOC certified or eligible to sit for the exam.

This position provides:

- Full tuition and competitive stipend
- Housing
- Available health insurance
