Westminster College
Position Vacancy

Health Educator for Sexual Violence Prevention

This administrative position reports to the Director of the Wellness Center, and is responsible for providing and coordinating sexual assault and violence prevention trainings and programming. This person also serves as the Sexual Assault Response Coordinator, providing advocacy and support to victims who report sexual assault or violence. The Health Educator will work collaboratively with campus and community to implement evidence-based programming to students, faculty and staff recognizing cultural and student health issues, and using theoretical frameworks and evidence based approaches.

This position includes the following responsibilities:

- Provide sexual assault/sexual violence/dating violence and harassment training using a train the trainer model for students, faculty and staff which meets or exceeds the requirements set forth by the Violence Against Women Act (VAWA), the Campus Sexual Violence (SaVE) Act and Title IX.
  - Monitor training completion status for those required to complete training.
- Actively participate or lead the Sexual Assault Task Force to provide for student programming related to healthy relationships, Sexual assault, sexual violence, dating violence and harassment prevention.
- Build and maintain collaborative relationships with referral sources on and off campus
- Develop and maintain an increased online and social media presence including Public Service Announcements for campus around topics of healthy relationships, sexual assault, and bystander intervention.
- Enhance relationship with Lawrence County Crisis Shelter by fostering increased collaboration for both services and programming.
- Provide collaborative programs and events related to sexual assault/sexual violence/dating violence and harassment with other educational institutions in NW Pennsylvania.
- Serve as a confidential reporter for sexual assaults.
- Meet with survivors of reported sexual assaults to provide education regarding their rights and resources and assist with the referral process.

MINIMUM QUALIFICATIONS: Bachelor's degree in social work, counseling, nursing, health education, psychology, behavioral health, or related field at time of application; Experience in a health care and/or behavioral health setting.

PREFERRED QUALIFICATIONS: Experience working with sexual violence, programming, and program evaluation; RN License or other licensure related to job responsibilities; Experience working in higher education setting.
The successful candidate will have strong oral, written, interpersonal, and organizational skills, the ability to communicate with a diverse student population, demonstrated integrity and strong leadership, and the willingness to be part of a collaborative team. The College welcomes applicants who are dedicated to enriching the quality of life for students and the community by embracing the educational value of diversity, promoting environmental sustainability, encouraging engaged citizenship, and serving as an intellectual, cultural, and economic resource.

This position will require some travel for necessary meetings, workshops, conferences, etc. **Position is a term appointment (3 years).**

To apply, please send cover letter, resume, and the names and contact information for at least three job related references to: Linda M. Thomas, Office of Student Affairs, Westminster College, 319 S. Market Street, New Wilmington, PA 16172 or by email to thomaslm@westminster.edu by no later than **November 1, 2019**.
