

Westminster College
POSITION VACANCY

Intern in Athletic Training with Specialty Training in Diagnostic Ultrasound

Westminster College, an NCAA D III Institution, which fields 22 varsity sports and has 400+ student-athletes is seeking an Intern in Athletic Training who will have contact with all sports and all aspects of the profession.

In addition to athletic training duties, the intern will have immersive, hands-on training in diagnostic ultrasound through a modular educational model while shadowing of a doctor who is a specialist in the field.

This is a 10-month (August to May) position with a monthly stipend of \$1,500 and a meal allowance. Responsibilities include, but are not limited to: prevention, evaluation, treatment, and rehabilitation of injuries/illnesses to student athletes, and other miscellaneous job-related duties as assigned.

Qualifications include: BOC certification in good standing; good oral and written communication skills; management skills; ability to work effectively with coaches, student athletes and other members of the College community; adherence to the standards of professional and ethical behavior of the NCAA and President's Athletic Conference.

Interested individuals should submit a cover letter, resume, and names and telephone numbers of three professional references by **July 15, 2022** to: Director of Athletics, Westminster College, Memorial Field House, New Wilmington, PA 16172. Applications may be emailed to lenerja@westminster.edu

Westminster College is an Equal Opportunity Employer, enhancing learning through diversity and inclusion.
