

Graduation Day Roses & Boutonnieres

For several years, Westminster College's chapter of Habitat for Humanity has offered flowers & boutonnieres for purchase prior to graduation.

These bouquets and boutonnieres are beautiful and may be picked up for your graduate prior to Commencement (*either on the Quad or Orr Auditorium Lobby as directed*).

*****ORDER FORM ON OTHER SIDE*****

The funds that Westminster's Habitat chapter raises allows us to work throughout the year with our affiliate, Mahoning County Habitat for Humanity (Ohio), as well as helping to finance our Spring Break work trip.

Habitat for Humanity International was established in 1976, with the goal of providing a way for the working poor afford decent housing. Help us keep hammering out good homes!!
