

# Drinko Center for Undergraduate Research Individual Research Support Grant: Guidelines

## Overview

The research grant program is intended to support the undertaking of research projects and creative activities performed by undergraduates at Westminster College. This includes, but is not limited to, the purchase of supplies and equipment, travel to research sites, libraries, data sources or training and acquiring data sets or software. These funds may not be used for stipends or compensation of any type. Any equipment or supplies purchased for the project remain the property of the College.

## Important Information for the 2021-2022 Academic Year

Students who participate in College-sponsored travel via the Drinko Center for Undergraduate Research are strongly encouraged to be vaccinated. Faculty may require vaccination for domestic travel, especially if this is a requirement of the host site. This is ONLY relevant if your research grant includes a travel component.

## Eligibility and Conditions

- The student must be currently enrolled as a degree-seeking student at Westminster College at the time of the grant application and be in good academic standing.
- The student must have uploaded proof of vaccination to the student health portal if the grant application includes travel.
- Projects must be conducted under the mentorship of Westminster College faculty.
- To receive research funding, a completed Research Grant Application must be submitted and approved prior to any expenditures.
- Award recipients are required to participate in the Undergraduate Research & Arts Celebration in the academic year of their grant, even if they intend to graduate in December. Students who fail to participate in the celebration will be responsible for paying back their grant to the college in full.
