# Graduate Survey - Class of 2019

## Survey Methodology

The 260 students graduating from Westminster College between December 2018 and August 2019 were surveyed through a series of email mailings beginning in May and running through August 2020. LinkedIn and other social media resources were also utilized to gather information on graduates who did not respond to emails. The combined methods resulted in a total of 198 responses, or a knowledge rate of 76% of the surveyed population.
